

This fall we are starting with a new fellowship theme: **TOGETHER**. With so many activities filling our days, the list below can simply become another way to add stress to an already overwhelming life.

At NorthPoint, we believe God is forming, building and growing us into an authentic Christian community—which includes you. Together we are a church *family*.

In a normal family, you belong of course because “we know you and you are one of us.” In our church family, knowing each other and *belonging* take some effort. We want you to feel like you belong, which starts, at NorthPoint, with knowing each other by name.

The activities below offer opportunities to grow TOGETHER as a church family. Pray about which activities you and your family can make a part of the coming year. God’s blessings!

Church-Wide Small Groups

Pastor Al is ramping up an initiative to help create small groups for all NorthPoint people and friends through a special series of home studies starting the **second week in January** running for five weeks. You are encouraged to start a small group in your home of friends, neighbors, and co-workers.

Sunday Morning Fellowship

We are all together, why don’t we take some time to visit and get to know some more people at NorthPoint?

With that in mind we are starting a Sunday Morning Fellowship right **after the 10:30 am service every Sunday starting Sunday, Sept. 18.**

To make this a bit more fun, we ask that you bring some appetizer-type food or small sandwiches for you plus one more to share.

This will be a “Tag Lunch”. We will wear name tags to get to know new names (or remind us of someone’s name that is getting foggy in our memory banks.) No matter what, it will be relaxing and fun!
